D. F. FORTNEY, ESQ., CHAIRMAN OF THE DEMOCRATIC COUNTY COMMITTEE.

The *Watchman* last week contains another letter from D. F. Fortney, and we have read it. We were pleased to find that the notice we took of him, and his inherent and low groveling nature had some effect upon him as he shows premonitory signs of reformation, controlled by some of the faithful, who considered their party disgraced by the elevation of D. F. Fortney, to the chairmanship of the committee. They have evidently endeavored to curb his political disposition and have partially succeeded.

But the nature of the dog is to return to his vomit, and so it is with the *pious* D. F. Fortney, who has identified himself with the Y. M. C. A. Hear him at his prayers:

"The Republican party will be fully and "completely overthrown and buried so "deep in its own corruption and infa-"my, that Gabriel with the loud blast of "his trumpet cannot awaken it."

Gabriel was a messenger from heaven to Daniel, Zachariah, the Virgin Mary and afterwards to Joseph her husband, as we read in Daniel, Matthew, &c., (yet he cannot awaken the Republicans at the last day, so says the *pious* Fortney). He becomes warm and spiritified, casts his eyes over at us and says. "He would have us believe he prays. No use Doctor; it would be like the prayers of one in the regions of the damned."

What a pattern of morality and religion is this self "identified member of the Y. M. C. A.!! He appoints himself a judge in Israel, dismantles Gabriel of his office and then dooms us to suffer in the "regions of the damned" without redemption. What a slander, what duplicity does this paragon of hypocrisy exhibit, in proclaiming himself identified with the Y. M. C. A., whose mission is to do good, and whose teaching is, to exhort every one, to love his neighbor as himself, and to proclaim peace and good will to all mankind.

After his spiritual anathema, he returns to his natural vituperation and says of the Republican party, "that it will be remembered by the people, through its knavery, villainy, profligacy and iniquity" and that "the men they choose to fill places of trust and honor, are the thieves and robbers." These are the epithets ejected forth by this political hyena from his buzzard brain, against men who would not touch this defaulter with a pair of tongs, and the skunk may, therefore, cease his endeavors to bring them to a level with his own contemptible status.

In our last concerning our tax we stated, "Let him pay the tax. He has the money in his hands and we will give him credit." How does he "ventilate" this? Hear him; "Characteristic of the Colonel as a man and a leader of the Republican party, he would have me (provided I owed him) to use the public funds to pay private bills. Dear Doctor, do you not know, that would be using the people's money? Something Democrats never do. Why Doctor, doctor, it would be fraud, the beginning of corruption. True as Gospel. A guilty conscience needs no accuser, and the reader will see that we gave no such advice. But the TAX DEFAULTER admits that he has no other means to pay his private bills, and this may account for the defalcation to the county of $2,353,04, due on his duplicate for 1869. If this is the fund, and his intimate friends know of no other visible means he has, or ever had, to visit, and swing round the circle, then according to his own admissions it would be using the peoples money—"a fraud, the beginning of corruption." "Man know thy self" is an old adage, and collector Fortney is proving its truth by his defalcation, in not paying the taxes into the Treasury, to be used in paying off the county debt. By the Auditors Report, January 2d 1871, he stands a defaulter as tax collector for the borough of Bellefonte, for 1869, in the sum of $2,353,04, and is published as such. Does he contradict it? Does he charge the Treasurer, Commissioners and Auditors with doing him injustice? No such thing. A thorough paced knave will rarely quarrel with one whom he can cheat. His revenge is plunder, therefore, he is usually the most forgiving of beings, upon the principle that if he comes to an open rupture, he must defend himself. This does not suit a man whose vocation it is to keep his hands in the pockets of other people. Is this not true Mr Fortney?

We find him still crying Wolf! Wolf! Thief! in order to withdraw the attention of the tax-payers from his own dishonest acts, and, then, harps loud and strong about that *other* embezzler, Evans, whom the Governor appointed a State Agent, and who by his conduct has proved that his appointment was misplaced confidence. This may be the same case with the commissioners in appointing Fortney tax-collector.

Yet there is a marked difference in the two cases.

Evans claims that he is entitled to the sum he has retained, as a set off for his per centage according to contract. But Fortney has no such excuse for his defalcation. When pay-master Hodges defaulcation, caused by visiting and swinging round the circle, was detected, he confessed the facts, gave himself up to the authorities, and is to be tried. But DEFAULTER Fortney does no such thing, nor is he prosecuted. Can any reason be given for this partiality to the Chairman of the Democratic County Committee?

Again, he says, "using the peoples money, (is) something Democrats never do." Let us try his veracity, if he ever had any. At the present session of the U. S. District Court, at Williamsport, the United States recorded a judgment, for thirty-four thousand, four hundred and eighty-two dollars against the sureties or "Bondsmen" of H. A. Guernsey, Esq., ex-collector of the eighteenth district. This H. A. Guernsey is a Democrat, was appointed by President Johnson, and is now at the present time *the* Editor of the Williamsport *Standard*—a blatant Democratic organ. Let Fortney's "Bondsmen" look out. They are in danger. Unless the commissioners do their duty, which is very plain, and follow the directions of the Act of Assembly towards D. F. Fortney, in accordance with the following section of the criminal code.

SEC. 65. If any State, county, township or municipal officer of this commonwealth, charged with the collection, safe keeping, transfer, or disbursement of public money, shall convert to his own use, in any way whatsoever, or shall use by way of investment in any kind of property or merchandise, any portion of the public money entrusted to him for collection, safe keeping, transfer or disbursement, or shall prove a defaulter, or fail to pay over the same when thereunto legally required by the state, county or township treasurer, or other proper officer or person authorized to demand and receive the same, every such act shall be [illegible] and adjudged to be an embezzlement of so much of said money as shall be thus taken, converted, invested, used or unaccounted for, which is hereby declared a misdemeanor; and every such officer, and every person or persons whosoever aiding or abetting, or being in any way accessory to said act, and being thereof convicted, shall be sentenced to an imprisonment, by separate or solitary confinement at labor, not exceeding five years, and to pay a fine equal to the amount of the money embezzled.

Read this Section, D. F. Fortney. It is very plain. "If any State, county, township or municipal officer of this commonwealth, charged with the collection, safe keeping, transfer &c., shall convert to his own use, whatever &c."

You were the collector of county and State taxes of the Borough of Bellefonte. Did you safely keep them? Did you transfer them and pay them into the county Treasury?

The Commissioners and County Auditors on the 2d day of January 1871, say you have not done so.

Then, how do you stand before the people, when you charge others with defalcation, from the stump and through the press? You do the same thing in your defamatory address, as Chairman of the Committee.

If the Treasurer and county Commissioners would but do their duty towards you, the 65th Section of the criminal code would be in full operation against you to day.

We ask pardon of our readers for occupying so much time and space with D. F. Fortney. And should not have been guilty of any thing of the kind; but treated his presumption and impudence as did the Democratic county convention, when he asked from that body, the nomination for District Attorney. The convention rejected him; but the Ring had him appointed Chairman of the county committee to cover up his contemptible position in society.

This, and this alone, is the reason we give for noticing him at all, and for the further purpose of showing that trickery can place some times the meanest libeller, slanderer and hypocrite, in a position which nature and decency never intended.

We have no doubt D. F. Fortney, Esq., will now exclaim in the language of the poet.

"As some of us (Democrats) in trusts have made
The one hand with the other trade,
Gained vastly by the joint endeavor,
The right, a thief, the left receiver:
And what the one, by tricks, forstall'd,
The other, by as sly, retail'd.

MR. MEEK AND HIS RECORD.

TO THE INTELLIGENT VOTERS OF CENTRE COUNTY.

The Democratic party of Centre Co., by the first resolutions passed at their Mass meeting, at August Court, Resolved that as a party they were opposed to special and corrupt Legislation, and that they won't set their seal against it. Wise indeed was such a Resolution in regard to the fearful special Legislation for Centre County in the year 1869 and 1871; and if they be sincere in this resolve, and will put the seal of their condemnation, not only upon the act itself, but also upon him who has brought much of this iniquitous and oppressive Legislation upon the people of this county, there will be no difficulty in getting rid of the evil by getting rid of the cause, and good men of all parties can unite in voting for a man who will, in good faith, carry out the spirit of the Resolution refered to.

In order that we may not be misunderstood we quote the resolution *verbatim*:

"*Resolved*, That we utterly condemn "as anti-democratic, and as a fruitful "source of Legislative corruption the "granting of corporation monopolies "by private and special Legislation."

The very first inquiry presented to the mind of a thoughtful man, is this: Is the granting, by special Legislation, of monopolies corruptive? That is; is such Legislation secured by corrupt means? Secondly, has Mr. P. Gray Meek, been in any wise interested and instrumental in securing that kind of Legislation? If he has been, it is very clear that the Democratic party, if they mean to hold to their resolution above quoted, cannot support him for the Legislature. Or if they do support him again, it must be at the sacrifice of principle as well as of their platform.

We ask why, was that resolution inserted in their platform, if, it can be set aside at pleasure by any candidate on their ticket?

We further ask, what "special Legislation" has been so corrupt, that it gave cause for this plank in the Democratic platform? To these inquiries we demand a true, faithful and explicit answer by the Democratic party and by democratic Journals.

We are as much interested in wholesome Laws as our Democratic friends. We suffer just as much as they, from the evils of corrupt Legislation, and we are just as anxious as they can be, to get rid of that evil. And we will unite with good Democrats in heart and vote to get rid of this curse upon any community. Legislation, like the Administration of Justice, should be above suspicion. What is law worth if it is to be procured by corruption? What is law worth if it be a thing in the market to be bought and sold? What are human rights worth if they are made dependent upon this kind of Legislation?

We agree with the democratic party that special Legislation by which private corporations with sweeping powers and rights are enacted, is dangerous, and that before such Legislation is had full notice should be given to the people that they may have the opportunity of examining, for themselves, before any proposed Act of Assembly shall become a Law. To this end the Legislature, many years since, required that all applications for charters for companies should be advertised in the county papers before being presented to the Legislature.

Let us now turn to the record of Hon. P. Gray Meek, as a member of the Legislature, and examine it, and see whether it is in harmony with these principles and with the resolution of the party whose candidate he is.

On the 15th of April, 1869 (see pamphlet laws 1870, page 1443) an act was passed, incorporating the "Big Sandy Run Improvement Company in Centre county."

Welsh and Allen and Parsons, and a few others are named as the incorporators. The second section gave this stream, which was and is but a small private creek, running through the lands of various owners, to the company without providing for any compensation of the owners. A provision which is so clearly unconstitutional, that Judge Thompson, now Chief Justice of the Supreme Court of our own State, in the case of Jessup vs. Loucks, 5 P. F. S., page 361, says: It is as well settled by the constitution, that private property can not be taken for private use that it needs no argument to sustain it."

Sec. 3d makes the capital stock $10,000, and the same shall be divided (for convenience) into 200 shares of $50 each. A beautiful capital based on nothing.

Sec. 6, gives the said company the right to demand from any person, whether he be the owner of the stream or not, the sum of fifty cents per thousand feet, board measure, for all lumber put into said stream, and shall be payable in

TEN DAYS,

and if not so paid, then the company may sue the owner, and recover the same with the penalty of fifty per cent added.

Of this lovely corporation Mr. Meek was, and we suppose still is, the secretary, and holds 155 shares of stock, he says, as collateral security—Security for what?

NOTICE SHOULD BE GIVEN.

We pause here one moment to ask: Should not such a bill first be published, or notice of it given, as required by law, and should it not be examined with great care by the member whose solemn duty it is to guard the rights of all his constituents?

Let us now see how this Act was passed by the Legislature of 1869, when Mr. Meek who was the author of the Bill was the member from Centre county. Let us turn to the Journal of the House for the session of 1869, and on page 286 we find that Mr. Meek, on the 11th day of February 1869, read in place, a Bill, No. 444, incorporating "Big Sandy Run Improvement Company." This Bill was read on that day the first time, and it should have been referred to a committee for examination, as in fact it was so referred. But now mark what follows:

On the same page of the Journal, and on the same day, February 11th, 1869, on motion of Mr. Meek, the Rule of the House for going into committee of the whole, so far as this Bill is concerned was dispensed with, and the Bill was read a second time.

Why was this salutary rule, which is a safe-guard thrown around Legislation by the House, to guard against evil, dispensed with? Was it necessary? Was there danger of those people finding it out, whose rights and property were being taken away without one cent of compensation?

But mark again—a Bill must be read three times before it can pass the House and be sent to the Senate; and there is a rule of the House as old as the Legislature itself, which forbids the reading of a Bill more than twice on the same day. The wisdom of this rule every one can see for himself. How does Mr. Meek get around this rule in order to pass this Act, which, according to the decision of Judge Thompson already referred to, is so clearly unconstitutional that it requires no argument to prove it?

EXAMINE THE JOURNAL.

Let us again turn to the Journal of the House—same page and on same day, Feb. 11th, 1869, Mr. Meek, a second time, moves to dispense with the rule of the House, which forbids the reading of a Bill more than twice on the same day, and on his motion the rule is dispensed with, and the Bill read a third time, and passed finally.

Can any man, in his senses, give an honest and good reason for such hasty Legislation? Can any unbiassed man read this record of the House and not feel that there is something hidden and not brought to light? All this, too, for the purpose of granting a monopoly to a few men, or rather to Welsh and Allen, whom we are informed own not a foot of land on the stream, but who had a contract to get out logs for other parties and for which they were abundantly paid.

CHARTER NOT ADVERTISED.

We are also informed, but no advertisement was made in Centre county of the intended application for this charter, and for some reason or other, this Act does not appear in print until the year 1870, and now, we find it for the first time published in the Laws of 1870, more than a year after it became a Law!

Suppose that this charter had been for Spring Creek or Penns Creek, either of them a larger stream than Big Sandy, and had the Act passed, as this Act was passed, and the rights of the owners of those Creeks been swept away, just as the rights of the owners of Big Sandy were swept away; and all for the purpose of giving a monopoly to Welsh & Allen, to hold these streams as their own, and to charge the owners if they floated a log a single rod upon the stream at the rate of fifty cents per thousand feet, to be paid to Welsh & Allen, and if not paid *in ten days*, to be sued for it and a penalty of fifty per cent. to be added for failure to pay the unjust demand: and suppose the Hon. P. Gray Meek was the Secretary of Welsh & Allen, (because Welsh & Allen are the corporation) and holding 155 shares of the Capital stock—of the value of fifty dollars per share—would you not consider it a perfect outrage? Would you not condemn it and its author in the severest terms? Would you not hold him accountable for the wrong done you? Would you not ask your public servant to explain why he did this, as it were in the right hastily and without notice to you? Would you not ask him if he had any interest in it, and how it came that he held over three-fourths of the entire stock, and how and of whom he obtained it, and the consideration paid for it? We think you would, and most justly too.

But your rights on Spring creek or Penns creek are no better than those of the owners of the streams in question, and if it would be a wrong upon you it is as clearly a wrong upon them, a wrong that should be sifted to its very depths, and should be explained by its author, clearly, fairly, fully, truthfully, and not by evasion or prevarication. And if it cannot be answered and fully justified, then the seal of your condemnation should be put upon it.

Let us now follow this same bill to the Senate, in order to get its full history.

In the Journal of the Senate for 1869, page 744, on the 24th day of March 1869, House Bill No. 444, was postponed on second reading. On motion of John B. Beck, Senator from Lycoming, and Mr. Olmstead, Senator from Potter—one Democrat and one Republican—neither of whom could have had any interest in it, and without their attention being called to it specially, would hardly have known any thing about it. This objection, according to the rules of the Senate, we believe, is equivalent to the killing of any local bill for that session, that is, if the objection be made in sincerity. For some reason, however, the bill finally passed the Senate. You will notice this objection was made on the 24th of March.

Leaving the record of the Senate, we find elsewhere the following:

$400 LOCK HAVEN, March 26th, 1869.

20 cent stamp. Five months after date, pay to the order of P. G. Meek, Four Hundred Dollars, value received and placed to the account of

To WM. PARSONS & SONS, Lock Haven. [Signed.] WELSH & ALLEN.

And on its face is written "accepted payable at Lock Haven National Bank."

[Endorsed.] P. GRAY MEEK. [Signed.] WM. PARSONS & SONS.

Thus it appears that on the 25th day of March, 1869, Welsh & Allen drew a draft on Wm. Parsons & Sons, (for whom they were logging) payable to the order of P. G. Meek, at five months after date, for the sum of four hundred dollars, accepted by Wm. Parsons & Sons, and payable at the Lock Haven National Bank. This draft was paid at maturity and is marked cancelled.

Now, turning again to the Journal of the House, you will find that on the very—that very day—March 25th, 1869, Mr. Meek was in his place in the House and introduced a similar bill for the incorporation of another of the small streams of Centre county. From this, it would seem that on the 25th of Mar., Welsh & Allen, or some one representing them, must have been in Harrisburg.

What "value received" Welsh & Allen received from Mr. Meek, for the above draft we cannot tell, nor do we attempt to guess. But it is a little singular, that such a draft should appear just one day after the postponement of the bill in the Senate, and that the same bill without discussion, alteration or amendment, shortly afterward passed the Senate and became a law. The other bill above referred to, as introduced by Mr. Meek, on the very day of the date of the draft, was a bill incorporating the Marsh Creek Improvement Company.

Now, in conclusion, we state that these facts are based upon the record of the House and Senate, and other facts that seem to have a connection with these proceedings, and in its preparation, all abuse or personal defamation has been carefully avoided. It is the examination of the record of a public servant, who should deem it his pleasure as well as his duty to explain, when called upon in a respectful manner. The entire object of this article is to call upon Mr. Meek, to give to his constituents, a fair, full and truthful explanation of this Legislation, and of the facts connected with it.

It will not do to answer it, by personal abuse, by carelessly passing it by as unworthy of notice, or, as has been done in the past by a bold allegation that it is only a Republican lie. *Records, and drafts for money, and other facts not herein stated cannot be blotted out in that easy manner.* Nor will it do for Mr. Meek to think that he has got the nomination, and his party *must carry him through.* He is too shrewd an observer not to see that his party is becoming exceedingly restive under the load they had to carry, and he would do well to remember that *"it is the last straw that breaks the camels back."*

In addition to the inquiries contained herein, we desire, Mr. Meek, to further state where he was when he received the Draft of the 25th, of March for $400. Also, was not that Draft carried to his own credit by the B nk in Bellefonte, and paid by Parsons & Sons., on or about the 25th, of August, 1869?

Also. Did not Mr. Meek receive from Welsh & Allen, three drafts, severally dated Sept. 24th, 1869, on Wm. Parsons & Sons, each for the sum of $333,33, making, together, $1,000 to the order of Welsh & Allen, and by them endersed, and also by Mr. Meek, endorsed, the first at four months, and the other two at different times? If Mr. Meek received said drafts, will he state where those drafts now are, who owns them, and what consideration he gave for them?

Also, did not Mr. Meek on the 11th, day of February, A. D. 1870, procure from Wm. L. Allen, of the firm of Welsh & Allen, a transfer, or assignment, of 155 shares of the stock of the Big Sandy Run Improvement Company (over three fourths of the entire stock of said Company? Will he state fully and fairly what was the consideration paid by him for said transfer? Did he give money or any article of value for said stock, and if so, what was it?

Also, did not P. Gray Meek and Wm. L. Allen, on the 11th day of February, 1870, execute a paper of which the following is a copy?

WHEREAS, I have this day transferred to P. Gray Meek by (two) several assignments, one hundred and fifty-five shares of stock in the Big Sandy Run Improvement Company, and, whereas, the said P. Gray Meek is desirous to redeem said stock at some future day, therefore it is agreed by and between the said P. Gray Meek and the said William L. Allen, that in case the said William L. Allen, his heirs or assigns, the sum of one thousand dollars within one year from this date, then the said P. Gray Meek, or his heirs, Executors or Administrators, shall assign to him the above mentioned stock, together with all tolls that may come into his hands during said term.

Witness our hands and Seals the 11th day of February, A. D. 1870.

[Signed.] P. GRAY MEEK. [Seal.]
" W. L. ALLEN. [Seal.]

And it is further agreed by and between the parties that any costs in improving said stream, or in collecting tolls, indorsed by said P. Gray Meek, shall be paid by the said Wm. L. Allen, his heirs or assigns, in addition to the One Thousand Dollars and interest above mentioned.

[Signed.] WM. L. ALLEN, AND P. GRAY MEEK.

These enquiries we wish to have fully answered, not simply because we proposed them, but because the people have a right to ask a public servant to give an explanation of his trust.

THE Democracy are making a great effort to carry our Legislature this year. If it cost $50,000 more for a Democratic Senate last winter, can we afford to let the Democrats get control of the House and increase the expenses at the same rate?

BELLEFONTE REPUBLICAN.

BELLEFONTE, PA.

Troubles of the New York Democracy.

"Misfortunes never come single," is an old proverb, applicable to our Democratic friends in New York. The Irish Catholics, who have heretofore sustained the Democratic party to a man, are now denouncing the conduct of the leaders of that party in the severest terms.

We have before us a Catholic newspaper, entitled *The Irish People*, of September 2, 1871, printed in the city of New York, which contains the following choice articles, viz:

THE MURDERER STILL AT LARGE.

Six weeks have now elapsed since the murder of our citizens, men, women and children—Irish, American, and German, and the murderer, Hoffman, is still at large. He, the coward, who slunk away when he had applied the torch to the fuel is still permitted to pass unscathed by the officers of the law and no action taken by those judicial authorities to discover, by investigation or otherwise, whether there were one responsible or fifty irresponsible murderers on that black day, the 12th of July.

But justice, we are told, is blind, and the American godless amply proves the truth.

The greatest crime next to murder is to condone it, and here we have its condonation with a vengeance.

Sixty corpses lying in their graves, and the friends and relatives of the victims waiting, wearily waiting, for the justice that never comes!

This, too, in a land of liberty!

Ah! yes. It is, indeed, a land of liberty, when the mounted beggars of our State can with impunity ride rough-shod over the lives of citizens—those very people who helped the murderer to the position which he imagines will screen him from the effects of his crime.

Do our Democratic legal authorities in this city, and whose duty it is to take action in this case, imagine for one moment that they can escape the penalty of their inaction? If so, they may find to their cost that some people have memories.

That parody of the three hours' inquest and three minutes' verdict will yet receive its proper answer, and at the proper time, if justice is thus to be trampled on.

From another article published in the same paper we clip the following:

Surely our Sweenys, Connollys, O'Gormans, Garveys, Sullivans, O'Briens, etc., could have forced Coroner Young to do his plain duty at the inquest or, if he refused, they could have procured a thorough investigation of the case in spite of him. Yet they did not.

The truth is, these men do not represent the sentiments and interests of our Irish citizens, though they owe their positions to Irish votes; neither do they rule New York for the Irish. They represent nothing but the so-called American Democracy and themselves, and in the interest of that political faction, and that alone, they and their associated partisans of other nationalities rule this metropolis. Were it otherwise, the Irishmen of New York would have got justice, and they wanted nothing but justice, in that most trying crisis that ever came upon their race in the United States.

But the whole conduct of prominent Irish politicians of New York, on the occasion in question, is easily explained. The Democratic party could not afford a thorough investigation of the late Orange troubles. The city authorities committed a blunder in not having forbidden the demonstration a week or ten days sooner than they did. Governor Hoffman committed a still greater blunder in countermanding the prohibitory proclamation of the city authorities at such a late hour as he did. Had he declared his intention of protecting the Orangemen with the State forces even a week before the day of their parade, no Irishmen, however ignorant and perjudiced, would have thought of molesting them. As matters stand, the whole thing looks very like a trap set by the State Governor and our city magnates for incautious and hot-headed Irishmen to fall into.

However that may be, Hoffman has made a splurge that threatens to smash the Democratic crockery ware all around. Were its antecedents and results fully investigated it might tend to the defeat of the Democratic party for many years to come. It has, therefore, become a political necessity for the Democratic wirepullers of New York and the Irish political intriguers who back them, to hush the matter up as quickly as possible, and to have no more said about it. Their action on the occasion won't bear examination.

No such insult and injustice could be offered to the majority of the citizens of this great cosmopolitan metropolis of the United States if it were really true that it is ruled by or for the Irish. I assure our Radical assailants that pure Irishry has very little to do with the government or misgovernment of New York. Yankee intrigue and Yankee greed run the political machine here as well as everywhere else throughout the American Union. Whether the ruling party in any locality be Republican or Democratic the Irish citizens are, and have been hitherto, treated as mere pawns on the political chessboard all through these States. 'Tis their own fault, however, to have remained so long in so humiliating a position. I hope better things from them in the future. But they do not yet rule New York.

For the REPUBLICAN.

Meeting at the Agricultural College.

In accordance with law, the usual meeting of Delegates from the County Agricultural Societies of Pennsylvania, was held at the College, Centre county, Wednesday the 6th inst.

After examining the experimental and college farms, the buildings &c., the delegates met in the Chapel and organized by the election of Hon. Francis Jordan, of Harrisburg, as Chairman and John S. Furst, of Clinton county, Secretary, A. Boyd Hamilton and Jas. Kelly served as Tellers.

On counting the ballots it was found that Hon. A. O. Hiester, of Dauphin, James Kelly, Esq., of Allegheny, and William B. Roberts, Esq., of Montgomery, had received a majority of all the votes cast, and were declared duly elected Trustees of the College, to serve for three years.

The following resolution was unanimously adopted concerning the retirement of B. Morris Ellis, Esq., of Lycoming county, from the Board of Trustees:

Resolved That the thanks of this meeting be tendered to B. Morris Ellis, for the interest he has taken and the service he has rendered to this institution, as one of its Trustees for the last twelve years.

Dr. Calder, the President of the College, being called upon, gave an account of the condition of the institution, which was highly satisfactory to all present. His announcement of the action of the Trustees when at their meeting on the preceding day, admitting females to the privileges of the College on the same terms on which males are admitted, was received with applause.

The people of our State have reason to rejoice over the great improvement in the Agricultural College, and the project of its rapid advancement. In the few months which have elapsed since Dr. Calder's election, the number of students have nearly doubled; and many more have signified their purpose to come.

JOHN S. FURST,
Secretary.

REPUBLICAN victories says the Pittsburg *Comsercial*, come so thick that one has to be wide awake to keep a run of them all. On the heels of California and Maine come Colorado and New Mexico, where the Republicans have made a clean sweep, both as to Legislature and delegate. It was reasonable probably that the Democrats would make gains now and then; but the list of States and Territories is becoming exhausted without the first indication of the kind. Faint hopes are entertained by the leaders of being able to make a stand in Pennsylvania, and great efforts are making to this end; but if the Republicans of our State do their duty the result will continue in October the succession of victories achieved in August and September.

LAST fall says the Philadelphia *Press*, the Germans of Philadelphia, who had been insulted by the Democratic press in its course on the Franco Prussian war, voted the Republican local ticket almost *en masse*. They will repeat this course this fall.

GOD SAVE THE COMMONWEALTH.

ELECTION PROCLAMATION.

WHEREAS, by an act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An Act to regulate the General elections within the Commonwealth," it is made the duty of the Sheriff of each county to give public notice of such election to be holden, and to make known in such notice what officers are to be elected; therefore,

CONSTITUTIONAL AMENDMENT.

Also the following Act to authorize a popular vote upon the question of calling a Convention to amend the Constitution of Pennsylvania:

SECTION 1 Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the question of calling a Convention of this Commonwealth be submitted to a vote of the people at the general election, to be held on the second Tuesday of October next, the said question to be voted upon in manner following, to wit: In counties and cities in which slip ticket voting is authorized by law, votes for and against a convention may be expressed and given upon the ticket, headed or endorsed with the word "State" and not otherwise; and the words used shall be "Constitutional Convention," and underneath "for a Convention" or "against a Convention;" and in counties or districts in which slip ticket voting shall not be authorized by law, each elector voting upon said question shall cast a separate ballot, endorsed on the outside "Constitutional Convention," and containing on the inside the words "for a Convention" or "against a Convention," and all votes cast as aforesaid shall be received, counted and returned by the proper election officers and return judges as votes for Governor are received, counted and returned under existing laws.

SEC. 2. That the elections aforesaid shall be held and be subject to all the provisions of law which apply to general elections; the sheriffs of the several counties shall give notice of this act in their election proclamation the present year, and the Governor shall cause all the returns of the said election, as received by the Secretary of the Commonwealth, to be laid before the Legislature at its next annual election.

CHANGE IN THE MANNER OF VOTING.

AN ACT regulating the mode of voting at all elections in the several counties of this Commonwealth, approved March 30th, 866:

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in general Assembly met, and it is hereby enacted by the authority of the same,—That the qualified voters of the several counties of this Commonwealth, at all general, township, Borough and special elections, are hereby hereafter required to vote by tickets, written or printed, or partly printed and partly written, severally classified, as follows: One ticket shall embrace the names of all Judges of Courts voted for, and to be labelled outside, "Judiciary;" one ticket shall embrace the names of all State officers voted for, labelled, "State;" one ticket shall embrace the names of all County officers voted for, including office of Senator, member and members of Assembly, if voted for, and be labelled, "County;" one ticket shall embrace the names of all Township officers voted for, and be labelled "Township;" one ticket shall embrace the names of all Borough officers voted for, and be labelled, "Borough;" and each class shall be deposited in separate ballot-boxes.

☞ There will be no "Borough" or "Township" tickets voted at the general election. ☜

Pursuant to the provisions contained in the 76th section of the act aforesaid, the Judges of the aforesaid districts shall respectively take charge of the certificate or return of the election of their respective districts, produce them at a meeting of one judge from each district, at the Court House, in the borough of Bellefonte, on the third day after the election, being for the present year, on Friday, the 13th day of October next, at the hour of 2 o'clock, P. M., then and there to do and perform those duties required by law of said judges. Also, that when a judge, by sickness or unavoidable accident, is unable to attend said meeting of judges, then the certificate or return shall be taken charge of by one of the inspectors, or clerks of the election of said district, who shall do and perform the duties of said judge unable to attend.

Given under my hand and seal, at my office, in Bellefonte, this 15th day of September, in the year of our Lord one thousand eight hundred and seventy-one, and in the ninety-sixth year of the Independence of the United States.

D. W. WOODRING,
Sheriff of Centre County.

Celebration.

The Circle Valley Lodge, I. O. of G T., the Marsh creek Union Sabbath School, Advent Sabbath School and citizens of the neighborhood generally participated in a celebration in a pleasant grove, near the residence of Wm. Butler, Esq., on Marsh creek, on Saturday the 16th inst. The weather in the morning was very unfavorable, threatening rain, thereby detaining numbers from attending, but toward noon the clouds lifted and the day was splendid.

Once in the grove, and order obtained, Col. Weaver introduced D. F. Fortney, Esq., to the audience, who in a few well timed and earnest remarks addressed them, directing his remarks chiefly to the Sabbath Schools and the friends of the great work. At the conclusio of his speech, dinner was announced and all hands repaired to the table, which was most bountifully spread with great abundance and variety for the occasion. The neat and tasteful manner in which it was arranged, reflected great credit upon the fair ones who were engaged in preparing it.

After dinner the audience were again seated, and Mr. Fortney, addressed them earnestly on the subject of temperance. After some further exercises at the stand, interspersed with vocal and instrumental music, the company numbering some three hundred retired quietly to their homes in the best of humor.

It is but simple justice to say that the Milesburg String Band, were in attendance and enlivened the proceedings with a number of their choice selections.

VISITOR.

Gen. Cameron.

Gen. Cameron is once more the target of the Democratic press of Pennsylvania, which receiving their stock in lies and libels from the central organ at Harrisburg, are busily engaged in charging all manner of evil to the veteran Senator, alleging that he carries the Republican party in his pocket that all its victories are won in his interest, and that its power is wielded by his dictation. In one sense this is complimentary, in another it shows the vile uses to which a venal press can be put and the utter recklessness of men who read their doom in the vigor of their ancient opponent, whose great force of character they fear, and whose indomitable spirit, when aroused in conflict, has so repeatedly, signally contributed to their overthrow. The very fact that General Cameron is thus assailed, is the evidence that he is in the field of action at work for the public good, and the Republican cause. If the Democratic press could break him down, they would of course have little more to do to defeat the Republican party of Pennsylvania, but as their efforts are abortive in reference to the individual, so will they fail in their intrigues against the party of the country. Their is no man in the State so little moved by abuse as Simon Cameron, and particularly when it comes from his political foes.—*State Journal.*

They Identify Themselves With It.

The fact is now fixed beyond dispute that the Democratic party identify themselves with and defend the New York Tammany Thefts. The other night a very large meeting was held in New York, largely composed of the German portion of the Democratic party there. The object was to inaugurate reform in the city expenditures. Quite a number of speeches were made denouncing the lately developed frauds perpetrated by Oakey Hall & Co., and resolutions, pointed and plain, adopted. Congressman ROSEVELT—a Democrat was among the speakers. Two nights thereafter a meeting of the Simon-Pure Democracy was held, and resolutions were adopted requesting ROSEVELT to resign, "as he has *proven himself a traitor to the constituents and joined the Radical Party.*"

That's the point. New York Democracy have endorsed the Tammany thefts, and are reading out of their party, Democrats who speak against them. New York being the head Centre of the Democracy—then what they say there in their resolutions, defines the position of the party elsewhere. Go in Tammany.—*Greensburg Herald.*

"The Democracy."

Their words belie their acts,
Their acts their words belie,
The new departure, (by resolves,)
Is only "in their eye."

DEMOCRATIC PLATFORM, 1868.	DEMOCRATIC PLATFORM, 1871.
Resolved, That the Democratic party of Penna. is opposed to confering upon the negro the right to vote, and we do emphatically deny that there is any right or power in Congress or elsewhere to impose negro suffrage upon the people of the State in opposition to their will.	*Resolved* That we recognize the obligation of all provisions of the United States as they now exist, and we deprecate the discussion of issues which have been settled in the manner and by the authority constitutionally appointed.

LOCAL Democracy is becoming more and more importunate for the colored vote. The party that refused to allow the colored people the right of the public conveyances, that has insulted them through its press for years, and which maintains the present police force, should preserve silence on the question of the colored vote.—*Press.*

THE AMERICAN WASHER?
PRICE $5.50
THE AMERICAN WASHER SAVES MONEY, TIME, AND DRUDGERY.

The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing. Sure.

In calling public attention to this little machine, a few of the invaluable qualities, (not possessed by any other washing machine yet invented,) are here enumerated.

It is the smallest, most compact, most portable, most simple in construction, most easily operated. A child ten years old, with a few hours' practice, can thoroughly comprehend and effectually use it. There is no adjusting, no screws to annoy, no delay in adapting! It is always ready for use! It is a perfect little wonder! It is a miniature giant, doing more work and of a better quality, than the most elaborate and costly. One half of the labor is fully saved by its use, and the clothes will last one-half longer than by the old plan of the rub board. It will wash the largest blanket. Three shirts at a time, washing thoroughly! In a word, the ablution of any fabric, from a Quilt to a Lace Curtain or Cambric Handkerchief, are equally within the capacity of the LITTLE GEM! It can be fastened to any tub and taken of at will

No matter how deep rooted a prejudice may exist against Washing Machines, the moment this little machine is seen to perform its wonders, all doubts of its cleansing efficacy and utility are banished, and the doubter and detractor at once becomes the fast friends of the machine.

We have testimonials without end, setting forth its numerous advantages over all others, and from hundreds who have thrown aside the unwieldy, useless machines, which have signally failed to accomplish the object promised in prominent and loud sounding advertisements.

It is as perfect for washing as a wringer is for wringing. The price another paramount inducement to purchasers, has been placed so low that it is within the reach of every housekeeper and there is no article of domestic economy that will repay the small investment so soon.

$5.50.

All that is asked for this GREAT LABOR SAVER, is a fair trial We guarantee each machine to do its work perfectly.

THE
Novelty Clothes Wringer.

Nothing, except the Sewing Machine, has ever been invented which so much relieves the labor of the household as the Wringer. But its usefulness does not end here. The saving of clothing is of much greater importance. It is often remarked that articles of fine texture, last twice as long when *wrung* in a Wringer as when wrung by hand. The NOVELTY has Cog-wheels on both ends. * * The rolls are allowed to separate freely at either end. These, besides other advantages which it contains, seem to be indispensable to a practical wringer.—*New York Independent.*

The Novelty Wringer.—Has become an indispensable institution in thousands of families. And we believe its great and increasing popularity is fully merited—for the Novelty undoubtedly possesses all the requisites of a first-class, practical machine. Indeed, after using one for many months in our own family we are prepared to indorse the Novelty as unsurpassed (the laundress says *unequaled,*) by any of the several wringers previously tried. *Moore's Rural New-Yorker*

WHO WOULD BELIEVE A FORGER?

EDITOR BERICHTER:—*Dear Sir,*

I noticed in the "Bellefonte REPUBLICAN" of Sept 6th that Col. Robt. M'Farland the Republican candidate for Assembly is bragged up as having served in the 148th Regiment as Col. And while *acting* in that capacity he had won the confidence and respect of the entire, Command, for his *bravery and integrity*; that he served his country well and faithfully." I would like to know where this Col. M'Farland was when the battle of Chancellorsville (our first engagement) was fought? Who had his sword taken at the battle of Gettysburg, when Col. Cross of the 6th Mass. Regt. had command of us? (the second battle we were in? Will any one of them answer?

A Private of 148th Reg.

Sept. 7 1871.

The above letter without further comment from us, is sufficient to explain Col. M'Farland's bravery. If those who were in his Command ask such questions we need ask none, his doom is sealed, defeat is certain.—*Berichter:*

Who will believe the above report? What soldier of the 148th Reg't P. V., will believe it? What decent man of either of the great political parties will believe it?

It is one of Meek's sly digs. It was written by Meek and sent to the "Berichter by Meek. Who will believe a forger?

Has not Meek studiously determined not to answer anything in regard to his forgery of the Lytle-Chambers letter?

It is easy for Peter G. Meek, to cowardly write letters to the "Berichter" making charges against Col. Robert McFarlane; but why does the cowardly sneak, not sign his name to his effusion? Does he think to cover over his sins and forgeries by saying that we are not worthy of notice? Democrats of Centre, when did P G. Meek become so dignified?

Col. James F. Weaver, the Democratic candidate for County Treasurer, was a member of the 148 Reg't. He will pronounce the letter of P. G. Meek, to the "Berichter" a contemptible libel and slander. A charge without foundation. A charge that no true soldier of the 148 Reg't., will make. No man but a traitor or a cowardly sneak of a soldier would make any such charge against Col. R. M'Farland. To the truth of this as above stated, Col. Jas. F. Weaver, will testify.

Col. Robert McFarlane was a brave and good soldier. He was good to his men. He never used his authority over them, only, when military discipline made it obligatory upon him. To this Col. Jas. F. Weaver, Democratic candidate for County Treasurer will testify.

Col Weaver, will also testify that the statements of the writer, of the article in the "Berichter" are false, from beginning to ending. He will also state that Col. R. McFarlane was a brave and undaunted soldier, "and while acting in that capacity he won the confidence and respect of the entire command, for his bravery and integrity; that he served his country well and faithfully" &c.

Col. Weaver, although we have not asked him to do so, must, as an honest man, swear, if needs be, that while he, Col. M'Farlane and Col. Geo. A. Bayard, were members of the same Regiment, that they, M'Farlane and Bayard were true, fearless and faithful soldiers.

Col. Jas. F. Weaver, shot at the rebels and copperheads, and we are not defending him; but we know that he will not lie and we further know that there is not a soldier, or private in the 148th Reg't. P. V., will ever say that Col. R M'Farlane, was not a good and brave Soldier.

Col. Robert M'Farlane, always used his sword in defence of his country. It was never taken from him. He fought bravely for his country while health lasted, and this he did when Meek was at home, giving aid and comfort to the rebels, calling the soldiers "Lincoln hirelings," "usurpers," "marauders," Buchaniers, nigger worshippers, &c., &c.

Col. Robert McFarlane never forged a letter to beat his competor. He is an honest man, and would scorn to do a mean act. He never sought the office. But the office—the people sought him.

Honest Republicans, Democrats, people of Centre county, vote for Colonel Robert McFarlane, and you will never have cause to regret it.

He will not farm the Legislature in his own interest, nor ask you for $500 extra pay.

REASONS WHY DEMOCRATS SHOULD VOTE FOR MEEK.

1st. Because he is a skilled letter writer.

2d. Because he wrote a letter at Millheim, and signed Isaac Lytle's name to it, (which is simply forgery) that defeated Orvis, for the nomination, for the Assembly, which was a gross fraud on the Democracy of Centre, and deprived them of their choice for Assembly.

3d. Because, according to the Centre Hall *Reporter* of last week, *Meek is opposed* to the repeal of the *Law Library* bill

4th. Because he is a most successful legislator to increase direct taxation. As the Commssioners pay, the District Attorney's fees increased one-half, the advertisement of unseated lands from 50 cents a tract to $1,00 a tract; in short nearly every thing that would benefit Meek by way of advertising, and Democrats in County offices, have all been largely increased under Meek's system of legislation, thereby making a direct taxation on the people. So that now, the poor are almost deterred from asserting or demanding their rights, through our Courts of Justice, because, of the impoverishing bill of costs that looms up before them.

5th. Because he is opposed to the sixth resolution of the Democratic platform, passed at a democratic meeting held in Bellefonte, August 29, 1871, which reads as follows:

"*Resolved*, That we utterly condemn, "as anti democratic, and as the fruitful "source of legislative corruption, the "granting of corporative monopolies by "private and special legislation."

And is not Meek a member of the *Ring* that makes private legislation for corporate monopolies a specialty? Of course he is because it pays. How about Big Sandy, &c?

6th. Because he is also opposed to the 9th, resolution of the Centre county Democratic platform, which reads as follows:

"*Resolved*, That we are opposed to "the mingling of inferior and superior "races, either in the elective franchise "or by miscegenation; and that in the "division of parties we are in favor of "keeping the white democracy in the "one, and the negroes and their equals "in the other."

Now Meek stands opposed to the above resolution, because he is soliciting the colored vote. Why! ain't he giving the free use of his Hall to the colored voters and their lasses, for their hops? And ain't that a prettystrong bid for the colored man's vote?

LET every Republican within the State of Pennsyivania begin *now* the work of organization. See that your doubtful or Democratic neighbor has good Republican newspapers to read. Talk to him in a neighborly way, and endeavor to convince him by the power of truth. If you are not able to subscribe for Republican papers for unwilling or doubtful voters send your own paper to them after you shall have read it. Don't be satisfied with a bare majority, or even a large majority. Stop nowhere short of every possible vote. If the majority is overwhelmingly large so much the better. We shall be all the bigger and jollier crowd for that. Don't say *you* can do nothing. You can. There is not on God's footstool a character so weak as not to be able to influence somebody. This sort of work can and ought to proceed at once, and continue to the end.

ORGANIZE! ORGANIZE!—We implore you, friends, to heal up all divisions in our ranks, if any divisions exist, and organize for victory and the redemption of Centre county from Democratic misrule. We can carry the county if you will only determine to do so and work earnestly and energetically to accomplish that desired end. Work, work, organize and work.

ANDREW J. SWARTZ, OUR CANDIDATE FOR COUNTY COMMISSIONER.

Since the recent developments in New York city, have shown to the world, that its municipal government, has been, and is one of the most corrupt, with which any people or community could be afflicted or cursed, it appeals to all honest people, beware!

The late expose in New York, showing that their city officials have been practicing a systematical series of frauds, whereby they have stolen millions of the people's money annually, and which has aroused the righteous indignation of the honest people, is a warning to the people of Centre county, as to the importance of not continuing in power a set of officers of one political party, too great a length of time, without change or check. Does not our county finances, and the *six mill tax*, demand inquiry, and a change in our county commissioners? We think it does. First, because if there should happen to be any extravagant use of the public monies it is not so likely to be covered up, and the fraud smothered.

Second, If we had one of the commissioners a Republican, it would almost necessarily secure a more economical collection and expenditure of the county funds.

Third, Do you suppose if one of the commissioners, for the past four or five years had been a Republican, that the citizens of Centre county would be obliged to pay a *six mill* county tax? The heaviest tax they pay.

Fourth, If we would have had a Republican county commissioner, for the past seven years, the *Democratic Watchman* would not have been able to have published last January, a list of some *seventy* defaulting tax collectors, of Centre county, who were indebted to the county in the sum of over $40,000 *dollars*.

Honest people of Centre county, think of this! According to the official statement published in the *Watchman* last January, over $40,000 are due the county from tax collectors, extending back to the year 1864—seven years.

Does that not demand attention and inquiry?

We say the above record, in order to secure a *faithful collection* and an economical disbursement of the county funds, imperatively demands, that the voters of Centre county at the coming election, should put into the commissioners office, a Republican.

We present to the citizens of the county, Andrew J. Swartz, who is too well known to the people of the county, as a fair, upright, honest man, to need any comment, as a candidate for that office. He possesses all the necessary qualifications, to discharge the duties of said office, intelligently and faithfully.

Then let every person, who wants our taxes promptly collected, *defaulting tax collectors, exposed and punished*, and a speedy reduction of the *six mill tax*, vote for Andrew J. Swartz, on the 10th day of October next.

LET US HAVE VICTORY.

People of Centre county if you want an honest man to represent you in the Legislature, vote for Col. Robert McFarlane.

If you want two good and efficient Associate Judges, vote for Benj Ligget and D. M. Wagner.

If you want an honest man in the office of County Commissioner, and one who will do all in his power to reduce the six mills tax—vote for honest Andrew Jackson Swartz.

If you want an efficient, honest and energetic District Attorney, vote for that indefatigable lawyer, S. Durbin Gray.

If you want a county Treasurer, in every way qualified, and one who will watch carefully the best interest of the tax-payers, vote for Col. George A. Bayard. He is a candidate against whom nothing can be said. His character is above suspicion.

In short friends we have one of the best tickets ever presented for your suffrages. H. P. Trcziyulny, for county Surveyor, James Glenn, for county Auditor, Dr. Stanton for Auditor General and Col. Beath for Surveyor General, are all men of high moral character, active and efficient workers in your organization, faithful and true men to the Government.

Vote the whole ticket. Do not scratch a single name.

A ROORBACK.

Hon. Peter G. Meek and some others are circulating the story throughout the County that Col. R. McFarlane does not wish the Republicans, or the people of Centre County to vote for him. Fellow citizens, remember, this is one of Meek's tricks. Col. McFarlane did not seek the office; but now, since you have honored him with the nomination, he is doing all in his power to be elected and to bring you victory. He is working might and main. Will you, Republicans of Centre, stand by him? Let us poll our whole vote.

REMEMBER that Democratic success means free trade, and free trade means the stopping of our furnaces and all our manufactures.

THE INDIANS.

The Republican admmis'ration of this difficult problem, under the wise and humane policy inaugurated by President Grant, has been more than a success—it is a victory of honesty, humanity and civilization. At the time President Grant entered on his duties as Chief Executive, the country was threatened with an Indian war extending from the Red river of the South to our Northern boundary. What its cost would have been in blood and treasure, none can fully realize without acquaintance with the history of past Indian warfare. All of this has been prevented, and that too, with but slight necessity for the use of repressive measures. In maintaining peace, the Republican administration has also inspired confidence, both among the Indians and the christian people, who everywhere throughout the land, have been hitherto disheartened at the sickening record of corruption and bloodshed which has stained past dealings with the Indians. When the President was inaugurated he found the whole Indian service falling to pieces of its own rottenness.

The peaceful results of two years effort is the best proof of the comprehensive sagacity and just spirit which animates his administration.

ALABAMA CLAIM.—TREATY OF WASHINGTON.—Republicans may certainly point with justifiable pride, to the highly honorable adjustment of our complicated difficulties with Great Britain-involving, as they did, questions affecting the national pride and feelings of both countries, and always holding in their embrace the possibility, even probability of armed collision. No one, not a demagogue or fanatic, can fail in welcoming a settlement, which, though not reaching to the full measure of our just claims, yet involves so lofty and honorable a recognition of our rights and position, by the other high contracting party, as to be justly termed not alone the victory of peace, but also of national honor and glory.

This great pacific achievement was consumated by a Republican administration, whose Chief too is one of the greatest successful soldiers of the country. It follows naturally in the line of Republican action, and shows what is to be the immediate future of the Republic under the direction of the National party.

IT cannot be a pleasant thought to Gen. McClellan, says the Phila., *Press*, that his name must ever be associated with the waning fortunes and irretrievable ruin of the Democracy. In 1864 he was made the standard-bearer of Tammany against President Lincoln and the Administration, and was terribly defeated. Now that same organization, through Mayor Hall, has invited the General to accept another honorable position in that illustrious body of patriots. But the General evidently remembers the past, and scents a second and more disgraceful defeat. It is a matter of congratulation, indeed, that he has refused to become a tool in this new crisis. Always a highminded and honorable man, he can have no sympathy with the New York thieves.

WHO RESIGNED?—When it became absolutely necessary for the safety of the army of the Potomac, that Gen. McClellan be relieved of its command, and the loyal mass of both citizens and soldiers demanded that the President make such a change, did Gen. Grant propose to resign? Did Thomas, Meade, Sherman, Sheridan, Geary, Hooker or any of the great warriors then struggling to save the national life, indignantly sheathe their sword and send their resignation to headquarters? No!. Who did? Gen. McCandless, the Democratic candidate for Auditor General.—*Ex.*

MORE STEALING.—Connolly, the New York Controller, finding that the investigation instituted by the honest men of New York would require the examination of his books and vouchers, stole those books and vouchers from his own office on Sunday night, the 10th inst., and concealed or destroyed them in order that they might not be produced as proof of his guilt in stealing and misappropriating the city funds. Truly, Democracy has reached the lowest depths of crimes and degradation.—*Bedford Gazette.*

WE would not recommend the frequent or constant use of any medicine. It is imporiant to take even a good article judiciously. *Parsons' Purgative Pills* are safe, prompt and reliable as a laxative or cathartic.

Base ball is undoubtedly good exercise and capital amusement, but it often occasions bunged eyes, broken shins and blistered hands. We can tell you that in all such cases, *Johnson's Anodyne Liniment* is resorted to, it will reduce the swelling and stop the pain.

CALIFORNIA gives us a Republican gain of a Governor, a United States Senator and two members of Congress.

The German Element in American Politics.

We recognize no class, race or color in the organization of American politics, and we are glad and proud to have it to say that the Republican party has at no time allowed any class feeling to exhibit itself in its organization, for the reason that the very spirit which animates and directs it as a political body is bitterly hostile to all such tendencies. On the coutrary, the Democratic party has ever been and will continue to be while it lasts, the fomenter of jealousies between classes—the breeder of disturbances in races and the builder up of a feeling which will always weaken the government whenever it is allowed to control its functions. This is now being recognized as true by a large and respectable portion of the adopted citizens of the country, who are beginning to see that the Democratic party will never consent to recognize other than the Irish vote in distributing its rewards. Take it wherever it has absolute power, and in ninety-nine cases out of every hundred, Irish Catholics are they who enjoy its honors and exercise official power by its preference. New York city is a notable instance of this fact, as indeed all cities are wherever it has political power. In New York, the most important judicial, executive and legislative positions are filled by Irish Catholics—Philadelphia's Democratic delegation in the Legislature is mainly made up of Irish Catholics or their direct descendants. Not one in a hundred do these partizans allow the election of a foreign born German, and when such a result occurs, as in the case of Alderman Haas in this city, he is thrown aside as soon as possible. Haas made a good magistrate—he had earned the confidence of his party, *but because he is a German fixed his doom*, and when he asked, as he had a right to expect, a renomination, he was counted out, while all the other candidates on his ticket for nomination were successful.

—These facts, occurring not only in Harrisburg, but elsewhere, are opening the eyes of the German element He begins to see he receives no interest, no sympathy, no fraternal feeling from those who control the Democratic party. He is not only snubbed as a voter, but when the land of his birth, his brothers of the fatherland, became involved in a life and death struggle, the Democratic party as a political organization make it a point to throw the force of their moral influence against it.

This is a fact as disgraceful to the Democracy as their damnable sympathy for American slavery and treason. Our German adopted citizen sees and feels all this—he has the facts always before him—his brethren suffer and he knows it—and with the keen intelligence peculiar to an educated nationality, he has come to the conclusion that his vote for Democratic candidates, tends to humiliate him in the land of his nativity. If the Democratic leaders had been in power during the Franco-German war, the United States would have been made an ally of France, against United Germany. This is indisputable, for the reason that four-fifths of the Democratic press of the United States advocated the French side of the question. This justifies the present attitude of the German-American. His convictions are for freedom and right. His ideas are for order and honesty. Up to this time he has found neither of these in the Democratic party, but discovers they are all centered in the Republican organization. And the day is not far distant when the Irishmen will also discover how hollow and meaningless is the subterfuge called Democracy.—*State Journal.*

"Daughter," said an anxious parent to his little one "didn't I tell you to eat no more green apples?" "Yes, but this is a yellow one."

A Contrast.

About this time look out for a chorus of Democratic assaults on the Administration, based on the confession of Major HODGE, the defaulting paymaster at Washington. This defalcation will be heralded from Dan to Beersheba as a legitimate specimen of the results of "Radical government," and appeals of the most frantic character will be made to the unterrified to displace from power the party under whose rule the crime (for crime it was) occurred. And since the people will certainly not learn it from any Democratic source, it is proper to state that Major HODGE was arrested by the Government the moment his guilt was discovered, and that he now lies in prison awaiting trial and punishment for the grave offenses with which he stands charged. Let the people contrast this prompt and impartial action of a Republican administration with the attitude of the Democratic party generally concerning the thousand-fold greater crimes of Tammany, and then draw their own conclusions as to which is the party of honesty, and most entitled to the confidence of the people. The unfaithful army officer is brought under the instant operation of the law the thieves of New York have for years defied the course of justice, growing more insolent as they grew fatter upon the substance of the plundered people. Moreover the Republican press, without exception, reprobates the wrongdoing of Major HODGE and demands that he shall be made to suffer the penalty; while as a general thing the Democratic press has been utterly dumb respecting the Tammany swindlers whose nefarious transactions have astounded the world. Furthermore, criminal as he was and is, HODGE has confessed his fault, made restitution to the full extent of his power, and expressed his willingness to suffer the most rigorous retribution; while HALL, TWEED, CONNOLLY & Company hang on to their ill gotten gain with the grip of death, glory in their impenitence and in the number and variety of their villainies, and dispute every inch of the ground on which the battle is being fought that is to bring them to justice. Let the people of Pennsylvania remember these distinctions, and the respective standards of character and practice which they indicate.—*Pittsburg Commercial.*

Questions and Answers For Voters.

Who first proclaimed the doctrine of State rights?

Democratic leaders.

What is the meaning of State rights?

Denial of the authority of the National Government.

To what does such a denial tend?

Treason and rebellion.

What is the effect of treason?

War, blood shed, death, widowhood orphanage, misery, taxation, debt and ruin to all business.

Here is the situation plainly exposed to view. The Democratic party from first to last, were the authors, abettors, aiders and comforters of treason and rebellion. The leaders of that organization invented the theories out of which war against the Union sprang; and when armed rebellion confronted the government for its destruction, the Democratic party changed from a civil force to a military body, and took the name of the Confederate army. Every man prominent in the Democratic party, as an advocate of State rights, became at once distinguished as a leader in the military forces and civil authorities of the Confederacy. It was a rebellion of the Demteratic party, whose only cause of armed resistance was exasperation because fairly defeated at the ballot box. Let every voter ponder these questions.

Ten Years ago.

Ten years ago, the Democratic leaders encouraged the South to arm and war on the Government in order to perpetuate African slavery.

Ten years ago, the Democratic leaders denounced those who fought to save the Government, as hirelings warring to serve niggers.

Ten years ago, the Democratic leaders refused the right of the elective franchise to soldiers serving out of the State in the armies of the Republic, proposing to ostracise all men who entered the service of the nation.

Ten years ago, the *New York Day Book* declared, "*God Almighty himself cannot abolish American slavery.*"

Ten years ago, Horatio Seymour, Democratic Governor of New York, encouraged a mob to resist the conscription laws.

Ten years ago, every Democratic organ in the North advocated the justice of rebellion.

Are such men and such a party fit to be trusted?

IT matters not what a man loses, if he saves his soul; but if he loses his soul it matters not what he saves.

Medical.

Ayer's Cathartic Pills.

For all the the Purpose of a Laxative medicine.

Perhaps no cathartic medicines sound universally required by everybody a cathartic, nor was ever any before so universally adopted into use in every county and among all classes, as this mild but efficient purgative **Pill.**—The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them: those who have not, knows that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterous drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal vicera to purify the blood and stimulate it into healthy action—remove the obstructions from the stomach' bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

For **Dyspepsia** or **Indigestion, Listlessness, Languor and loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, BILLIOUS COLIC and BILLIOUS FEVERS, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa,** but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back or Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two PILLS to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

The Great

Dr. WALKER'S

VINEGAR BITTERS!

Hundreds of Thousands Bear testimony to their Wonderful Curative Powers.

WHAT

IS FANCY DRINK

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases are caused by Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

CROWDED OUT.—We regret exceedingly that we have been compelled to crowd out a number of locals which are in type and which were intended for this number of the paper We hope our readers will bear with us until the election is over.

GROCERY.—Messrs. Ruhl and Gault, have just received another large invoice of groceries, spices, soaps, canned and dried fruits, cheese, hams &c., together with everything usually kept in a first class Grocery Store. Call and see them.

HACKS FOR THE FAIR.—Isaac Lose Esq. the enterprising liveryman of the town gives notice to the public, that he will run Hacks to and from the Fair grounds, every day from the opening to the closing of the Fair. This will be a great accomodation to the people.

KELLER & MUSSER.—Have you been to see Keller & Musser, since they received their New Goods? If not, are you not losing money, by not calling? We never flatter and we would not deceive our readers, therefore, we say for good bargains and cheap goods call at the Philadelphia store, Messrs Keller & Musser, Proprietors.

NEW GOODS.—The Messrs. Harper Brothers on Spring street, Bellefonte Pa., have just received from the Eastern cities, a large and splendid stock of dry goods, groceries &c. This is a most excellent firm, composed of very clever and enterprising men, who have determined not to be undersold by any other mercantile house in the town. Be sure to call and see them.

NEW HARNESS.—Did you see the elegant harness worn by the horses of the Brockerhoff House Omnibus? They are beautiful and good. Do you know where they were made? They were manufactured by James Schofield, whose shop is next door to Harper & Bro's., store on Spring st. Mr. Schofield is a first class saddler and harness maker and warrants all his work. Give him a call, before buying elsewhere. 1t

For the REPUBLICAN.

CENTRAL CITY AHEAD.—Allow me to say to the people of the County that Capt. Martin Dolan, defies competition in the raising of potatoes. The Captain, purchased one potato last spring, for which he paid fifty cents. Mr. M. M'Laughlin, planted it for him, from which he raised three bushels and a peck of the finest potatoes we have ever seen. The potato is a native of Texas. The above statement can be substantiated by indubitable evidence. The Captain has cabbage in his garden 14 inches in diameter. Who can beat this. The Captain is a practical gardener. ZENO.

A FEAST.—Who has not read of the feast of fat things? The Editor, and the Proprietor, together with J. W Furey Associate Editor of the "Watchman," and R. H. Kinsloe Editor of the "Christian Union Work" partook of one of these magnificent feasts at the Bush House on Friday last. The Bush House is one of the fixed institutions of the town. It is indeed a big thing. One of the most magnificently furnished Hotels in the State, Messrs. Clemens & Lowrie know how to keep it. The dinner was a superb one, and the hungry Editors did it ample justice. We wish the Proprietors of the Bush House abundant Success.

WE have been requested to announce that "a grand military pic-nic will be given by the Sellers Zouaves, in the wood on the old Bush ground, Buffalo Run, (near G. W. Gray's) on Saturday, the 7th day of October, and that an invitation is extended to *one* and *all* to attend the same. The Logan Fire Company of this place, and the Unionville Cadets, are to be invited, and everything bids fair to be a grand thing." The following committees have been appointed:

On Arrangements: Capt. P. E. Sellers Sergeant John Whippo, Serg't, James Shorthill, Corp'l. C. W. Hunter, Corp'l. B. F. Thompson. Privates: J. Mac Thompson, John W. Hamer, John Reed Wm. Tibbens, S. C. Hamer.

On Regulations: 2d Lieut. J. Q. Miles and lady, Jeremiah Sankey and lady, Thomas Williams and lady, George Marks and lady, Daniel Ail and lady, Frederick Deckard and lady, G. W. Gray and lady, G. B. Rumberger and lady, W. F. Thompson and lady, James Leitzell.

Floor Managers: S. C. Hamer, D. J. Reed, T. C. Rumberger, C. W. Hunter.

For the REPUBLICAN.

THE Republicans of Milesburg and Boggs twp., met in their club-room on Friday evening, the 22d inst. The meeting was largely attended and was addressed by Capt. Johnston, of Washington city, who was introduced by R. B. Kinnis. Capt. Johnston, addressed the meeting in a brief but pointed and well timed speech, after which Col. Theo Gregg, was called upon, who addressed the meeting for over one hour in length reviewing the record of the Republican party since 1861, to the present time. Contrasting its record with the Copperhead party's record, showing the native ugliness and treachery of that party, during the War for the life of the nation and its present status as the traitor party. The Col. was frequently interrupted by shouts of applause. The Republicans are awake and have a mind to the work and will tell on the 10th of October, by their votes, that they saved the Nation and will now take care of it.

W. G.

TOBACCO STORE.—The nicest, the neatest and most complete tobacco store in this town is that kept by our gentlemanly young friend Saml. Lipton. He keeps the best brands of chewing, and smoking tobacco, and his Segars are always the very best. The best of all is, he sells the very best brands at reduced prices. Those addicted to the use of the weed should call and see him. See advertisement.

ATTENTION SOLDIERS.—All soldiers in Centre county, are respectfully requested to call at the office of Capt. R. C. Cheesman, opposite the Court House, to sign a petition to be presented to Congress at their next session, in which every soldier will be personally interested and benefitted. 36-3t.

LOEB, MAY & LOEB.—This enterprising firm last week received another large lot of Goods, boots, shoes, &c. We have said so much about this firm, that it is only now necessary to publish the fact that they have received their new goods. They are industrious energetic and obliging. See their advertisement in another column.

THE Secretary of War, says the *Day*, has detailed Gen. Mead and other eminent officers as a court martial to try Paymaster Hodge on the charge of defalcation. The promptness which has characterized the dealings of the war department with Major Hodge is commendable. It is not possible to avoid the appointment of men who succumb to great temptations, because no man can forecast circumstances and detect such lapses from integrity. But when the authorities promptly arraign the offender they wash their hands of the Malfeasance in so much. Now let Major Hodge be held to the strict letter of the law. After that let the rules applying to disbursing officers be rigidly enforced. Neglect to do it has in this case involved a serious loss to the treasury. It is seldom that army officers make such trips—a fact that tells to their credit. The people hold the authorities responsible for the prompt adjudication of this case and the punishment of the offender. It is necessary to make ad example of these fast men in public places.

THE Democracy are greatly distressed that while the thieving Democracy of New York are so glaringly exposed, the Republican administration of Gen. Grant is paying off the national debt by hundreds of millions a year and reducing taxes in the same proportion. The Democracy make debts by extravagance and stealing, and that Republicanism pays off debts by honesty and economy is a fact that is fast hastening the Democratic party to its final dissolution.

A REPUBLICAN victory in Pennsylvania in October next, will be the individual achievement of the voters of the party, upon whom the work of the canvass has devolved. The meetings held throughout the State, like those in Philadelphia, are local ones; the organization is, local, and the credit for the victory will rest with the people and the press.

EVERY sign of the times indicates that the people have determined to give M'Candless his preference on Tuesday, the 10th of October next—that is the private station. He preferred it in the darkest hour of his country's peril and the people have concluded that he had better keep it in time of prosperity.

THE defeat of a single Republican candidate says the *Press* for the Legislature in a Republican district may be fatal. In Delaware, or wherever else there may be the slightest private objection or opposition to a Republican nominee, there should be none at the polls or in the party.

REPUBLICANS, to Work! to Work! Only two weeks yet remain till election day is at hand. Go to work, from this hour and see that every Republican is properly registered, then "stir up" the lukewarm and indifferent and urge their attendance at the polls on Tuesday, October 10th.

REPUBLICANISM should have at least one member of our board of County Commissioners. It will promote economy. Vote for A. J. Swartz.

MEEK CONFESSES HIS GUILT—WILL HONEST DEMOCRATS VOTE FOR A FORGER?

Meek confesses his guilt, in the forgery of the Lytle letter that "Cooked Orvis kettle." Hear him:

"The REPUBLICAN of this week has almost four columns of personal and political charges against the editor of this paper. Were these charges made by any decent, reliable, or responsible Radical, we *would pronounce* him a villanous, theiving, cowardly liar; but when they are made by Bill Brown, *we know* that there is no more need of telling our readers that they are false, than there would be of telling them that a skunk stinks. They know it."—*Watchman.*

What kindness! What magnanimity! What tender regard for Bill Brown, does the chaste tongue, of the Doughty editor of the *Watchman, skilled Radical letter writer*, manifest.

Is it not perfectly astounding—nay dumbfounding—the argument Meek, uses for refraining to use his mother tongue in an attempt to refute the grave and serious charges, made against him in last week's REPUBLICAN, which he does not, and cannot deny, but is compelled to admit their truth?

He says if the charges were made by "any decent, reliable or responsible Radical, we would (using his mother tongue) pronounce him a villainous, thieving, cowardly liar."

That is *his* denial of the charges prefered against him. If the charges had been made by some other Radical than Bill Brown, then Meek does not pretend he would deny the fact that he forged the Lytle letter at Millheim, but that he would have used his mother tongue and pronounced him, a villainous, thieving, cowardly liar.

Bill Brown, forsooth! Who is it charges Meek with forging the *Lytle letter*?

Whom did we call upon the witness stand? Is not Capt. Lytle, some other Radical, decent enough for Meek to call a villainous, thieving, cowardly liar.

And does not Lytle charge and prove him, (Meek) in his letter, to Rankin, and his report of his interview with Meek, about the Millheim—chambers-letter, to D. G. Bush, and others, and in his letter to John H. Orvis, in which he states Meek, entirely changed the letter he wrote Meek, in answer to the one Meek wrote him concerning his writing letters, relative to the nomination of John H. Orvis, to be a forger of the Lytle chambers letter?

Yet Meek would not, nor does not deign, to even use his mother tongue on Lytle, *wonder why?*

How abnormal Meek has become, since he wrote the letter that cooked Orvis kettle?

But it seems that Bill Brown and Lytle, are not the only ones too indecent, for this delicately refined and chaste editer, of the 'Watchman,' to denounce in his mother tongue, but that, John H. Orvis, whose kettle he cooked. D. G Bush, H. Y. Stitzer, Wm. P. Wilson, by the way a pretty decent Radical, and Gen. Wm. H. Blair, all of whom we called upon the witness stand, to substantiate the charges made, it seems, are all too indecent for Meek to notice, or in his mother tongue, to call "villainous, thieving, cowardly liars"!!!

Why don't Meek call Bill Brown in his mother tongue a liar, as to the charges made against him in last week's REPUBLICAN? Surely he has condescended to do so before. The reason he don't, is because the truth of the charges is too clearly established.

He dare not deny, and cannot refute them.

Hence he admits them, and offers as an excuse for so doing, and for not using his mother tongue, the fact, that Bill Brown, Capt. Lytle, and Wm. P. Wilson, John H. Orvis, H. Y. Stitzer, D. G. Bush, Dr. Hillibish, Wm. H. Blair and Wm. R. Alexander, are all too "indecent" in Meek's estimation, to call, "villainous, thieving and cowardly liars." Because, it is by them we substantiate the charges made in last week's REPUBLICAN.

Oh, what magnanimity, and tender regard!

Then citizen voters of Centre county, Democrats and Republicans, as Meek makes no pretence to deny the charges made against him in last week's REPUBLICAN, and offers so flimsy an excuse for not using his mother tongue, that all must agree that his silence is simply an admission of their truth.

We again renew the charges as true, on his admission.

First. That he did show a letter at Millheim, purporting to have been written, by Capt. Isaac Lytle, Secretary of the Republican County Committee, to James Chambers, in the interest of Jno. H. Orvis' nomination.

Second, That he simply forged said letter.

Thirdly, That said letter did "cook Orvis' kettle down there;" and thus cheated the majority of the Democrats, of Centre county out of their choice of a candidate for the Legislature.

Honest Democrats of Centre, again we appeal to you, to know if you can vote for this political trickster, P. G. Meek, who stands convicted by his own public admission, of perpetrating a high crime, and thereby defrauding you most shamefully

Is he fit to represent any constituency in the Legislature?

GET REGISTERED AT ONCE.

GENERAL McCANDLESS,

Is called "General" because while the fighting was going on in the Wilderness, and almost in the light of burning Chambersburg, he wrote the Secretary of War, declaring that no man could honorably serve in the Union army, and declining to be a General in it. Therefore, soldiers, vote for General Bill McCandless!

After this effort of self-sacrificing, devotion to rebellion, Gen. McCandless rushed bravely into the whisky business in Philadelphia. His legitimate profits were not sufficient for his wants and his distillery was accordingly seized by the Government officials for illicit distillation. It was here that he acquired that knowledge of Government accounts which peculiarly qualifies him to be Auditor General of Pennsylvania, in the judgment of the Temperance party. Therefore, Temperance men, vote for Spangler and elect that staunch Temperance man, William McCandless.

A bill was introduced in the Legislature during the term of Wm. McCandless as Senator, which provided for the establishment of a cattle yard at Philadelphia, in the absolute possession of a close corporation of a half-dozen individuals, through which every pound of beef consumed in Philadelphia should pass and be inspected. Its effect was to impose an enormous tax upon drovers and to raise the price of beef upon consumers. It is known as the "Infamous" Cattle Bill. In the Senate its champion orator was William McCandless. Whereupon all drovers and all consumers should vote for Cattle Bill McCandless.

When the Free Railroad bill was making its last struggle in the Pennsylvania Legislature, General McCandless was in the Senate and voted constantly and consistently with its opponents.—Whenever an issue was raised between the public and their creature corporations, his voice and vote were for the corporations. Wherefore the western advocates of a Free Railroad law are expected and implored to vote for Railroad Bill McCandless.

When the Connellsville Railroad was being strangled by its great competitor, Gen. McCandless was in the Senate and was eager and active in his endeavors for its destruction. None so willing as he to drive the very last nail into its coffin. Therefore, the merchants of Pittsburgh and people of the west are expected to vote solidly and enthusiastically for Connelsville Bill McCandless.

Vote for
GENERAL Bill McCandless.
DEFAULTER Bill McCandless.
CATTLE BILL McCandless.
RAILROAD BILL McCandless.
CONNELLSVILLE BILL McCandless.

Or, if you can't do this, for God's sake give a vote for Spangler. Then the Soldiers, and the Temperance men, and the Workingmen and the consumers of Philadelphia beef, and the friends of a Free Railroad, and of the Connellsville enterprise will have an Auditor General upon whom they can rely, and the country will be safe.—*Beaver Radical*

A "RING" IN YORK COUNTY.

It would seem that the Democratic officials of York county, who manage the county finances, have been taking lessons in speculation from their Tammany brethren. The county is hopelessly Democratic, always electing the Democratic candidates by majorities ranging from one thousand to three thousand, so that there never has been any interruption in the arrangement, by which one set of "ring" men covered up the irregularities in the accounts of their predecessors.

According to an exhibit published in the *True Democrat*, the debt of the county was $12,000 in 1860, and although no county improvements have since been made, except the erection of a barn for the almshouse, the debt has now reached the sum of $328,000, as stated by the officials, but outsiders say that $500,000 will not cover it. In 1869 the debt was supposed to be $328,000, at which time a special law was passed authorizing the issuing of bonds for the funding of the whole of it, and also providing for the levying of a tax of seven mills on the dollar for the payment of the bonds. The tax had since been regularly collected, but the money seems not to have been applied to the purpose contemplated by the law, and the debt has been increasing at the rate of $100,000 a year.

SEE THAT YOU ARE REGISTERED.

Every Republican in the County should see to it that he is properly Registered. Then see that your Republican neighbor's name is on the list also. If not, have him go at once to the Assessor of the Township or Borough of which he is a resident, and have himself Registered. This must be done at least ten days prior to the Election. Friday the 29th day of September is the latest day you can safely wait. Don't neglect Registering a single vote. Your political opponents never fail in this, and they will be sure to prevent you from voting if you neglect it.

SEE THAT YOU ARE REGISTERED.

THE REGISTRY LAW.

What Must Be Done in Order to Vote.

Read, Explain and Circulate.

See That Your Names Are On the List.

TO THE VOTERS OF PENNSYLVANIA:—Your attention is directed to the following explanation of the registry law. Read it carefully, in order to ascertain what is your duty in the premises, and then see that your names are placed on the assessor's list:

EXAMINE THE ASSESSOR'S LIST.

One of which is posted on the house where the election is to be held and the other is in the assessor's hands. You have a right to examine them free of charge.

These lists should contain your name, and the name of all other qualified voters in the district; they should state if you are a house keeper, the number of your house; the street it fronts on; your occupation, if you board, where and with whom you board, if you work for another your employer's name, and opposite your name should be written the word "voter."

If you have been naturalized, there will also appear the letter "N." If you have merely declared your intention to become a citizen, the letters "D. I."

If you are between twenty-one or twenty-two years old, "age." If you have removed into the district since the last election, the letter "R." will appear opposite your name.

Make it your personal duty to see that your name is on the list.

Do not trust this matter to any one else.

HOW TO GET REGISTERED.

If you find your name is not on the list, go yourself to the assessor, and make your claim to be put on. He is bound to add your name. He cannot question your right. You need not discuss the matter with him, your "claim" is enough. Give him, also your precise residence, occupation, etc. He will mark "C. V." opposite your name.

ATTEND TO THIS AT ONCE.

If you delay until within ten days of the election, you may lose your vote.

NATURALIZED CITIZENS.

You must show your "papers" to the assessor, in order to get your names registered.

If you intend to take out your last 'papers' before the election, you must show your "first papers" to the assessor.

See that your names are on the list.

Those of you who do not need to have "first papers" and intend to be naturalized before the election, should get naturalized first immediately; and go to the assessor with your papers.

All naturalized citizens must take their "papers" with them to the polls, unless, they have been voting for ten years in the same district.

You must take your 'papers' with you when you vote, even if your name is on the list.

TAXES.

The law in relation to the payment of taxes is unchanged. If you have paid neither a State nor county tax, assessed within two years, do it without delay.

Take your last tax receipt with you to the polls.

Do not delay registering or paying your taxes; attend to the matter now for fear something may prevent hereafter.

THE DIFFERENCE.

The Democratic papers are raising a great hue and cry over Evans embezzlement at Harrisburg.

This is done to withdraw attention from the immense frauds of the Tammany ring in New York, where the Democratic swindles have amounted to almost as many millions as there are thousands in the Evans affair.

The difference of the two Parties is strikingly exhibited in the course of the party papers respecting these frauds.

The Democratic papers have not a word to say against the wholesale swindlers in New York, carried on for a long series of years. They protect and bolster up their thieves on party grounds. They are willing that the people should be fleeced provided the money goes into the pockets, of Democratic plunderers.

The Republican papers denounce fraud and swindling, no matter by whom perpetrated. They make it to be understood that a Republican office holder who does wrong can expect no mercy at their hands.

The people can judge from this, which is the safer party to have control of public affairs.

THE Pittsburgh *Gazette* says, vigorous blows at the Democracy are being driven by some of the ablest Republican orators. The records of the two parties are being scrutinized as they never were before. The battle this fall will be one on finance, taxation and indebtedness. Rigid economy is everywhere the rule of Republicanism, whilst the grossest of extravagance and corruption mark the steps of Democracy wherever they hold the power. Judge us both by our records, and we will be satisfied. Under Republican rule debts decrease, taxation is lessened and economy in every department is insisted on; under Democracy, the reverse.

WHAT IS GRANT DOING?—The public debt statement of the 1st of September shows a reduction of the National debt during the month of $9,206,279,50, or at the rate of over $100,000,000 per annum. Since the 1st of March, 1869, bonds have been purchased and canceled by the Treasury Department to the amount of $219,375,200 at a net cost estimated in gold of $204,672,066. These are truths, and we defy the Democracy to contradict them.

REPUBLICANS see that you are registered. Don't wait a single day or it may be neglected and you may lose your vote.

THE BEAUTIES OF INCONSISTENCY.—The Democracy first made a great hue and cry that Evans was exposed because he would not divide his plunder; now they assert that Evans was only made a cat's paw and then set adrift. The two stories don't agree. But they forget to tell that the Democratic Governor of New York shielded Evans until he had time to escape. Why not tell the whole story? Does the Democratic Governor, Hoffman, divide the swag with Evans? Won't some of our Democratic contemporaries answer?

THE increased expense of the Democratic Senate last winter over the Republican Senate of the year previous was about $1500 per member. A Democratic House at the same rate will make an increase of $150,000 Can we afford to let the Democracy get control of our Legislature at that cost? Tax payers it is for you to say if you want the annual expenditures of our Legislature increased $200,000. If you do, vote the Democratic ticket. If you prefer to save that $200,000 toward paying off the State debt, vote the Republican ticket.

OUR nominees for Auditor General and Surveyor General are both men of integrity, of experience in public life, and popular in their own communities. Besides, they have both served their country well and honorably. Above all they represent the principles of the Republican party. Stanton and Beath should receive a majority of at least fifteen thousand.

THE Democratic Controller, Connolly, of New York, in anticipation of the coming investigation, through his wife, transferred the snug little sum of $500,000 in government bonds to his son-in-law. Where is Evans' peccadillo besides the Tammany thieves?

IF you want greater economy in the county expenditures and lighter taxes elect A. J. Swartz, County Commissioner. One Republican on the board can certainly do no harm and may do much good.

DURING August our State debt was reduced $114,772.92. In the same month the debt of New York city, at the regular Democratic rate, increased two millions of dollars.

The subject of the above notice was a very great sufferer. Owing to the nature of her disease, (cancer,) she seemed to suffer almost to the last degree of human endurance; but, being enabled to look to Him, "Who is the Lord our righteousness and the Lord our strength," she bore her intense suffering with meekness, patience, and resignation, frequently saying, in the fullness of her heart, "The will of the Lord be done." Her end was peace. * * * *
